

## headachediary

Diaries can be a useful tool to identify triggers, to keep track of your headaches, and to help your health care provider better understand your headaches. The headache diary also helps monitor changes in headache frequency and severity. An online headache diary is available at: www.achenet.org/your/diary1.php

headache	date:	time started:	time ended:
heac	warning signs:		
pain	type of pain: (e.g. piercing, throbbing, etc.)		
	intensity of pain: (circle one)	(low) 1 2 3 4 5 6 7	8 9 (high)
	location: (e.g. between eyes, bo	ack of head, etc.)	
ent	treatment of medication taken:		
treatment	effect of treatment:		
circumstances	hours of sleep:		
	what i ate today:		
circu	events prior to headache: (e.g. strenuous activity, elevated stress, etc.)
